

## **Party Size and Seating**

We will not be seating parties larger than 6 (children and babies count). We guarantee a minimum distance of 6 feet or more between tables.

Please take advantage of sanitizing station before you enter and as you exit Bin 303. We also have signs marking safe entrance to Bin 303 as we seat reservations. Please be courteous of all guest and safe spacing.

## **Contactless Exchanges**

We are throwing all menus away after each use and creating a QR code for easy touch-less menu selections.

## **Uniforms and Face Coverings**

All staff will wear masks. All materials will be washed over night or thrown away and gloves changed on a regular basis if they are being worn.

## **Regular Sanitation**

Staff is required to wash hands every 30 minutes and between customer interactions. Sanitation of shared surfaces and bathrooms will occur every 30 minutes and at table turns. Hand sanitizer and wipes available throughout restaurant. All restaurant will be thoroughly cleaned at the end of service.

## **Staff Health and Wellness**

All staff will go through an 11-point wellness check-in for any shift with temperature checks. No congregating and direct physical contact. All staff has been cleared and safely trained with TABC and Food Safety prior to opening the doors again here at Bin 303.

## **Removal of Pre-set Items**

All items will be set on tables after guests are seated.
